

Every Move I Make

Na na na na na na, Na na na na na na na na na (repeat)

(jump up and down)

Every move I make

(take one step forward on each foot then jump back,)

I make in you, you make me move Jesus

(point forward) (boogie then jump up)

Every breath I take I breathe in you

(use hands to show breath going up)

Every step I take I take in you,

(take one step forward on each foot then jump back,)

you are my way Jesus

(point at yourself)

Every breath I take I breathe in you

(use hands to show breath going up)

Na na na na na na, Na na na na na na na na na (repeat)

(jump up and down)

Waves of mercy waves of grace everywhere I look I see your face

(use hands to show waves going one direction then the other, then look around with your hand on your head)

Your love has captured me o my God this love how can it be?

(pretend to thro out fishing line then reel it in, hold hands in air to show confusion)

Na na na na na na, Na na na na na na na na na (repeat)

(jump up and down)
