Admit you have done wrong things and say sorry. Turn away from those things.

Believe that Jesus died in order to bring you forgiveness and reconciliation with God.

Commit your life to God and receive His free gift of forgiveness, friendship and freedom from guilt, shame and fear.

Father God

I am sorry for the things that I have done wrong.

[Reflect a moment and ask God to forgive you for anything that comes to mind].

Thank you for sending your son Jesus to die on the cross so that I could be forgiven and set free to enjoy a relationship with you.

From now on, I want to live in relationship with you.

Please come and live in me by your Holy Spirit

And give me the assurance of your forgiveness and love.

Help me to turn away from everything I know to be wrong and to turn towards everything I know to be right, good, true and pure.

Thank you. Amen.
